

PEMBINA'S DIVERSITY STATEMENT

Pembina is committed to diversity, recognizing the advantages that an inclusive and diverse workforce brings to our business and to the communities in which we operate. Because of this, we are encouraging applicants for positions with Pembina to voluntarily identify if they consider themselves a member of any of the four designated groups (as defined by the Federal Employment Equity Act) which make up our diversity program: women; Aboriginal peoples; persons with disabilities; and members of visible minorities.

This optional data is gathered to help us with our current and future outreach initiatives and for statistical purposes and has no impact on an applicant's candidacy for the role. The information collected will be stored in a strictly confidential Employment Equity database in accordance with Pembina's Privacy Policy and will not be used for any other purpose.

(Please note that you may declare in one or more of the employment equity groups.)
